Board of Directors  
The Sturges Company

We have audited the accompanying statement of financial condition of The Sturges Company (the "Company") as of December 31, 2015. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of The Sturges Company as of December 31, 2015, in accordance with accounting principles generally accepted in the United States of America.

**1. Organization**

The Sturges Company ("the Company") is a registered broker dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is incorporated under the laws of the state of Ohio in 1985. However, as discussed in Note 6, effective January 1, 2016 the Company has reincorporated in the state of Florida. The Company's principal business activity is the underwriting of securities which are generally secured by insured mortgage loans or US Government Securities. The Company, like other broker dealers, is directly affected by general economic and market conditions, including fluctuations in volume and price level of securities, changes in interest rates and securities brokerage services, all of which have an impact on the Company's liquidity.

**2. Summary of Significant Accounting Policies**

*The following are the significant accounting policies followed by the Company:*

*Revenue* – Fee income is recognized when the underwriting is completed and the income is reasonably determinable.

*Income taxes* – No provision has been made for income taxes since the Company has elected to be taxed under the provision of Subchapter S of the Internal Revenue Code and similar state provisions. The Company is not taxed at the entity level for Federal or state income tax purposes, however, net undistributed taxable income is taxed at the local level.

The Company recognizes and discloses uncertain tax positions in accordance with generally accepted accounting principles. As of, and during the year ended December 31, 2015, the Company did not have a liability for unrecognized tax benefits.

*Cash and cash equivalents* – The Company includes as cash and cash equivalents financial instruments with a maturity of less than 90 days.

*Use of estimates* – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates and assumptions.

*Subsequent events* - Management has evaluated the impact of all subsequent events through February 8, 2016, the date the financial statements were available to be issued and has determined that there were no subsequent events, other than those events disclosed in Note 6 requiring disclosure in these financial statements.

**3. Computation for Determination of Reserve Requirements**

The Company will operate in accordance with the exemptive provisions of paragraph (k)(2)(ii) of SEC Rule 15c3-3. All customer transactions are cleared through RBC Correspondent Services pursuant to a secondary clearing agreement with L.M. Kohn & Company.

The subordinated borrowing bears interest at 4.75% per annum and matures in December 2019.
